

# Degrees of the Future

1. What is the degree called?

---

2. Give a description of the course. Will there be practical components? How will students be assessed?

---

---

---

---

---

---

3. What jobs of the future will this degree equip people to do?

---

---

---

4. What skills are required to do the degree and associated jobs?

---

---

---

5. What extra-curricular activities might prepare students for this degree?

---

---

---

6. What Year 9 and Year 10 subjects might prepare students for this degree? (Hint: You can be creative...these subjects may not currently exist.)

---

---
