

Weekly Budget

Create a weekly budget for your character. Firstly, find out how much money they will have coming in each week. Then note down all their weekly expenses. How much will they have left over to put into savings? If some of the columns do not apply to your character, leave them blank.

Note: Make sure you calculate all expenses on a weekly basis. This means you may have to divide or multiply some of the figures.

Income	Dollar Amounts
Government Payments	
Paid Work	
Scholarship Payments	
<u>Total Income</u>	\$
Expenses	
Rent	
Transport	
Bills	
Food	
Clothing	
Extra Curricular/Social Activities	
Other Expenses/Spending Leaks	
<u>Total Expenses</u>	\$
Savings	
<u>Total Income – Total Expenses</u> (What do I have left over? How much can I afford to save?)	\$
